

Dear Student

I hope your programme has got off to a good start and that you are feeling more at ease in your new surroundings. We would like your help in looking after the new campus by following some basic rules and reporting thoughtless behaviour that could spoil the facilities for you and others. The rules listed below are there for the security and comfort of all campus users. Please read them carefully, print your name, sign and date the attached slip, then hand it to your tutor.

Thank you. We wish you every success on your course.
